**RE: Workshops on ISO Standards in Health Services**

Greetings from the League of Provinces of the Philippines!

The HEALTHCORE International Consultancy – the center for international healthcare management, quality accreditation and medical tourism services in the Philippines, will be conducting series of workshops for the first time in Asia. **The ISO Certification focused on Healthcare Services (ISO BS EN 15224:2016) that was just implemented in Europe in 2017 and for Medical Laboratory (ISO 15189:2012), to be held in January 2018.**

The objective of the workshop is to support the Department of Health, Philhealth and Philippine accreditation Bureau in their efforts to accredit more hospital towards international standards and in developing more local assessors.

Relative to this, the League is extending the invitation to all member-provinces who might be interested to attend and participate in the above-mentioned event.

Attached herewith is a copy of the flyers announcing these workshops and the invitation letter from Joyce Socao-Alumno, Founder and President of Healthcore International, for your information and reference.

For confirmation or further queries/concerns, please visit [www.health-core.org](http://www.health-core.org), email [info@health-core.org](mailto:info@health-core.org), or call (0908) 8887880.

Thank you and we are hoping for your participation.

Very truly yours,

**GOV. RYAN LUIS V. SINGSON**  
National President
